*“Arise, shine, for your light has come, and the glory of the Lord rises upon you. See, darkness covers the earth and thick darkness is over the peoples, but the Lord rises upon you and his glory appears over you.”*

—Isaiah 60:1-2

This Isaiah passage reflects the good news we have that Jesus Christ, the light of the world, has come to shine upon us, in us and around us, which we just celebrated on Christmas, and will celebrate again on Epiphany, Jan. 6, when we celebrate the day that the announcement of the Son of God was seen by the wise men and this good news was then carried back to wherever those wise men had come from.

But even as we announce this and celebrate this, the darkness in our world is still clearly evident. Some of this darkness can be attributed to the fact that it is still a season of darkness, even if the days are finally starting to get longer by a few minutes each passing week. But in addition, the hurt and brokenness of people's lives, the uncertainties of nations and the plight of people's futures are real concerns to many.

But no matter where we are at in life, if we were to sit and ponder where God is, I am convinced there are many places and ways where we could find God's light shining in our lives. From a roof over our heads, food on the table, people around us who know our name and check in with us, and a host of other things, like the sun rising every morning, for the clothes that keep us warm, and a chair to sit in, and especially for the love of God that comes to us in the flesh with the Christ Child that promises to hold us and claim us who love him no matter how shaken or messed up the rest of our lives might be. And perhaps, this gift more than anything, can bring us hope on our darkest day.

### A Light to the Nations

And dear friends, in the same way God's love and light come to us and bless our lives, the gift we then possess of God's light and love shining on us, allows us to be light bearers to others by praying to God on their behalf (and letting them know we are doing so), making dishes of love to share with others, taking the time to invite others and spend time listening perhaps over a cup of coffee, writing letters or calling those we can't get to visit, and even gathering to have the light of Christ fill our lives through personal devotions or group Bible studies.

Indeed, when we look at the world with eyes of love and compassion the way Jesus looked on the whole world and gave of himself for us, light can't help but shine in the darkness. And the other amazing thing is, whenever we participate in sharing God's love and light with others, it changes our hearts and makes us even more aware of God's presence.

# NURTURE

## New Listening System

A listening assistance system has been installed to provide worshipers with hearing needs to better hear the Good News. Four personal listening devices are available.

Each device has its own volume control to help get the right amount of sound amplification for each individual. Two units have loop lanyards. When worn around the neck, t-coil enabled hearing aids can automatically utilize the listening signal emitted from the lanyard.

If you don't have hearing aids or if yours are not t-coil enabled, the device also has an earpiece that fits over the ear opening. Please see an usher for help with one of the devices.

## Aged to Perfection Luncheon

Wednesday, January 9, 2019, noon

This month will include a presentation from the Omaha Fire Department regarding falls safety in the home.

Thank you to Susan Lueders and Jackie Combes for the ministry you provide with the "Aged to Perfection" luncheons you prepare and host every month. As well as a great fellowship event for those attending, proceeds from the free-will donation go to our "Deacon's Fund," which also ministers to others.

## FAMILY MOVIE NIGHT!

Sunday, January 13, 2019  
4:30 p.m.

"Won't You Be My Neighbor?" will be the feature movie on Jan. 13 in our own fellowship hall. There will be chili soup at 4:30 p.m. for friends and family, and the documentary will start at 5 p.m.

## How Will You Participate?

Please consider participating in ministry at Lord of Love by preparing and serving FISH meals, picking up Sunday morning donuts-up and/or cleaning up the Sunday morning coffee cups. See the bulletin board in the Narthex for sign-up sheets. Thank you in advance.

## MEMBER CARE TEAM

### "Walk" to Jerusalem

**January 6 to April 20, 2019 (15 weeks)**

Join us on an imaginary walk to encourage each of us to increase our physical and spiritual activity as we contemplate the journey from Lord of Love to Jerusalem for Easter. In addition, you will learn some fun facts about the areas we will imaginatively "visit" as we walk to Jerusalem.

In addition to walking, there are other ways to "earn miles." For example, you can collect mileage for 20 minutes of active household chores (vacuuming, shoveling snow, etc.). You can earn miles by spending 15 minutes in devotion and prayer or by attending a mid-week Lenten service (Ash Wednesday is March 6 and Lenten services begin March 13). You can also collect miles by doing 20 minutes of community service!

Beginning January 6, you can pick up an information packet about the walk. Included will be the Mile Calculation Sheet, 15 weekly tally sheets and a devotion booklet. The weekly tally sheets will be turned in each Sunday in the basket in the Narthex. (In addition, you can submit your miles online). The devotions are designed for you to read weekly and contemplate as you do your activities for the virtual walk that week.

Watch the world map in the narthex to see our route and progress each week toward the 6500 miles to Jerusalem. There will be some information about the areas we "travel through" emailed on a weekly basis.

This virtual walk is really quite simple: you don't have to pack or even find your passport! All you need to do is keep track of your physical and spiritual activity and turn in your tally sheets. If you have any questions, please ask the Member Care team.

### Recover from Holiday Overeating

*These foods are easy to digest and will help reset your energy levels so you can get back on track during or after the holidays when, according to the New England Journal of Medicine, the majority of our weight gain occurs.*

#### 1. FRUIT

Mangoes, pineapples and citrus have fiber and acidic properties that aid in digestion. Bananas are high in potassium, which helps eliminate sodium bloat.

#### 2. VEGETABLES

Leafy greens, sweet potatoes, celery and spaghetti squash are nutrient and fiber-rich foods that help ease digestion and replenish much-needed vitamins and minerals.

#### 3. PROTEINS

Because it's digested slowly, protein keeps you full and makes bingeing unlikely. Good options are yogurt, lean meat, nuts and kefir.

#### 4. LIQUIDS

Hydration aids in digestion and helps you feel satiated. White tea has been shown to prevent fat cell development, and bone broth can help relieve GI inflammation.

#### 5. OTHER

Turmeric and fresh ginger ease the discomfort of overeating. Oats are also easily digested and high in fiber, which helps you feel full.

## WORSHIP

### Participate in Worship Planning

Would you like to help plan a worship service? If so, you may help during the adult education hour (about 9:15-10:15 a.m.) on **January 20**.

During this time, the Worship Planning Committee is inviting you to help plan the worship services for the last four Sundays of Epiphany. This session will include reviewing the readings for the day and picking hymns for each of the Sundays. Our goal is to let you become more familiar with the planning process and maybe create interest in the Worship Committee.

## MISSION

### Mission Possible Update

Thanks to all who gave so generously in their special offerings for Thanksgiving, Advent, and Christmas to the ELCA AMMPARO program—a holistic, whole church commitment by the ELCA, as a church in the world, to accompany children today and in the future. AMMPARO stands for Accompanying Migrant Minors with Protection, Advocacy, Representation and Opportunities. In the near future, we'll report the total amount that was given to this special program.

Several members of Lord of Love are actively involved through the Nebraska Synod's Guardian Angels program—where adults attend immigration court hearings with migrant children, as support and resources. If you have questions or would like to become involved, you may talk to any of them: Kathy Christiansen, Jane Gehringer, Deb Lund, or Pat Wineinger. Or contact Rev. Rebecca Sheridan at the Nebraska Synod: [rebecca@nebraskasynod.org](mailto:rebecca@nebraskasynod.org)

## YOUTH

### High School Class Collection for Siena/Francis House

Rex Quadhamer delivered the "critical need" items collected for the Siena/Francis House on Sunday, Dec. 30. There were 5 full boxes and one full bag, with many toothbrushes, bars of soap, deodorant, blankets, coats, warm socks, gloves, hats, and assorted clothing.

Thanks to Rex and the volunteers who helped him load up the supplies after church. Thank you to the congregation for such a good response to the collection for Siena/Francis House!

## ENDOWMENT/MEMORIAL FUNDS

### What is the Difference between the Endowment Fund, Memorial Fund?

Recently an individual doing estate planning asked a question about the Memorial Fund and the Endowment Fund. A basic distinction between the funds is the Memorial Fund is internal and the Endowment Fund is external.

The **Memorial Fund** is used to purchase items for use at Lord of Love. For example, funds were used for the purchase of paraments, communion service, the Christmas tree, LED light bulbs, the bells and chimes for the bell choir, and the four round tables in the narthex.

The Memorial Fund is funded through gifts given in memory of an individual who has passed away. Gifts may be given to five different categories which are Worship, Building, Grounds, Programs, and Undesignated. The categories are chosen by the donor or the family of the deceased.

While the Memorial Committee has the responsibility of administering the fund, they do not actively look for projects but act on request from the Pastor, Church Council or other members of the congregation.

Members of the Memorial Committee are appointed by the Church Council.

The **Endowment Fund** is a fund used to support Missions. According to the constitution, the Fund may not be used for the budget of Lord of Love.

The Endowment Committee asks for grant requests every year. They review the request and make grants. The total amount of grants allowed is 3% to 5% of the balance of the fund.

Examples of grants made in the past are scholarships for students in Tanzania, prison ministries, Lutheran Service Corps, and Camp Carol Joy Holling.

The Endowment Fund is funded generally through gifts from an individual's estate.

Two members of the Endowment Committee are appointed by the Church Council and three are elected by the congregation.

For additional questions, please talk to Doug Aden or another member of either committee.

# CHURCH COUNCIL

## From the Council President, Brian Lund

*2 Corinthians 5:17 (NRSV): So if anyone is in Christ, there is a new creation: everything old has passed away; see, everything has become new!*

Welcome to the new year! Like many other years, we will find this one filled with many blessings, opportunities and challenges. Collectively and as individuals, we can expect many times of great joy and other times of great sorrow. Throughout it all, we can rejoice that God is with us. In Him, we have a source of strength, hope, and peace.

Pastor Becky and I continue to work on discerning our focus for the coming year. Our current list of focus topics consists of:

- worship
- Sunday School
- Strengthening outreach into the community of Northwest Omaha

In January, the congregation council will begin discussions on these and any other key topics identified at our council retreat. This will lead to more focused discussion in a congregation visioning activity following our February semi-annual meeting.

What is driving discussion on the above topics? Over the past number of years, there have been changes in the attendance pattern for worship and Sunday School. We need to consider appropriate adjustments to our schedule and faith formation program in light of these changes.

Lord of Love is a wonderful and faith-filled place. It seems that we have been waiting for people to come to us to find that out. There are likely many needs within the community and we have much we can offer. We need to determine in what ways we can actively engage with the community

that demonstrates who we are. Where do the passions for service of our members lead us? What can we do to meet some of the needs of the community on our own or through partnership with other organizations? Input from congregation members is an important part of discerning our calling to be in the community.

*James 1:22-25 (NRSV): But be doers of the word, and not merely hearers who deceive themselves. For if any are hearers of the word and not doers, they are like those who look at themselves in a mirror; for they look at themselves and, on going away, immediately forget what they were like. But those who look into the perfect law, the law of liberty, and persevere, being not hearers who forget but doers who act—they will be blessed in their doing.*

I am so thankful for the support and leadership provided by the members of our congregation council. Please join me in thanking these women and men for serving: **Don Rowen, Jackie Combes, Kathy Christiansen, Heather Hansen, Rex Quadhamer, Chris Rich, Joan Witt, Jesse Brewer, Paula Foster, Paul Christenson, and Brandon Zalesky.**

Please continue to pray for the ELCA, Presiding Bishop Elizabeth Eaton, our Nebraska Synod, Bishop Brian Maas, Pastor Becky, our staff, our members, our ministry together, and for all of those who are in need.

Blessings in faith and service,  
Brian Lund

## Stewardship Reflection, by Rex Quadhamer

*"Only live your life in a manner worthy of the gospel of Christ."  
Philippians 1:27*

The comments on the margin of my Bible say: "These words refer to life in community and its responsibilities. Christianity is more than a religion; believing in Christ is a way of life."

Wow! The thing about this is that people who don't know Christ have a hard time understanding why we live like we do: why we live generous lives with all that God has given to us, and why we gather in community to worship and praise Him. Their pride leads them to live anxious lives full of conflict instead of Christ's love, greed instead of generosity, worry instead of steadfast faith. As I'm writing this in the season of Advent/Christmas, I see all kinds of signs of our belief in Christ.  
*(continued, next)*

## RESOURCES

### Stewardship, continued

Going caroling to our older members, we're touching their hearts with Christmas songs and fellowship; there are the goodie tins and Project Linus; the collections for the Siena/Francis house where you are giving dignity and hope with essentials just for living. We're praying for each other and encouraging one another in fellowship. I'm sure each of you could add to this list!

We've each traveled our own individual roads to knowing Christ, some smooth and some bumpy. Either way, we've come to understand a faith and love which has come to us. May we live this new year in a manner worthy of the gospel of Christ!!
