

Dear Lord of Love Lutheran Church

Hello, I hope you are doing well, I am also doing well to my side.

I am writing this letter to express my gratitude to you for the generous sponsorship of my studies at Machame Health Training Institute for the Diploma of Nursing and Midwifery, from first year till third year 2024. I am very grateful for the numerous financial contributions you have made in support of my education. Your generosity and help have been an inspiration to me.

My academic progress is going good and also I thanks God for been to my side during the last semester examinations. During last semester I had the following results; Care of woman with abnormal Labor - A, Basic Epidemiology - A, Fundamental of Research - A, Supervision in Nursing - A, Care of woman with Obstetric emergency - A, and Care of Abnormal Newborn - A. And obtain Grade Point Average (GPA) of 5.0.

Currently I am preparing myself for the final examination of Diploma level which will be next month. I am looking forward to perform well.

I have a plan to continue with my studies in Bachelor of Science in Nursing (BSN) in future if I get that opportunity (2025) the coming year. And if I will not get that opportunity I will use my skills

and knowledge to provide care to the sick people and other people who need nursing care.

Again, thank you for your encouragement and financial support to me. I want to express my sincere gratitude to each of you, for your dedication and hard work. Your kindness has made a significant impact on my life and I am grateful for you all. I am looking forward with lot of hope that you will support me in future and other people also. Dear Lord of Love Lutheran Church thank you so much for your support may God bless you.
