Dear Lord of love Lutheran Church

I will be finishing my nursing studies this month. Thank you for your support. I could not have done this without your help. I like to do my nursing activities in village. Also my parents and family thanks you for support that give me to finish my Nursing and Midwifery Course from first year up to third year. My future plan after finishing Diploma of Nursing and Midwifery is to proceed (upgrade) with bachelor of Nursing in university. I will be happy if I can get a chance for continue with study. Also in this year last in my course of Nursing and midwifery I have a five subjects, those are Care of patient with medical condition, Care of patient with Surgical Condition, Mental health nursing, Tumour and Cancer and Care of patient with Reproductive Surgical Condition and I like those subjects.

I believe my pray request is be granted
